

TACOMA'S 4th of July FREEDOM FAIR

Outdoor Electrical Services Order Form

Professional Electrical Distribution is being provided.

Questions about your power requirements can be directed to Gary Grape at (253) 682-1446

The following rates include only the bringing in of current to the back center of the booth. **An outlet is considered to be (single phase) duplex receptacle. You're allowed to plug two items into one outlet as long as you don't exceed the wattage you have ordered.** All exhibitor electrical equipment must meet the National Electrical Code. **Two wire extension cords and non-grounded equipment will not be allowed. Orders must be received three weeks in advance of move in!**

Reliable electrical power will be provided directly to your booth as ordered on this form if it is returned to the address below one week prior to the event with full payment enclosed. Late orders and upgrades required at the event due to this form being improperly filled out are subject to a 25% late charge. Payment will be required prior to distribution of any power.

EVENT NAME: Tacoma Freedom Fair & Air Show

DATE OF EVENT: July 4th (most food vendors set-up after 6 p.m. July 3)
